1.1. Introduction:

This document contains the applicability, details and procedure to be followed for a woman employee who plans to avail Maternity Benefit. The document outlines the steps which are necessary to complete the formalities required to be performed by employee for availing this benefit.

1.2. Purpose:

This document is for women employees of the organization who wish to avail their maternity leaves & gain understanding on the benefits attached with it.

1.3. Application & Scope:

The Effective month for applicability of the policy is from Sep 2021.

This document is Applicable to all women employed as full time and are on the payroll of ValueDX Technologies Pvt Ltd.

1.4. Maternity Leave:

A woman employee is entitled to avail maternity benefits if she has worked for not less than 80 days during the period of 12 months immediately preceding her expected date of delivery. Her expected date of delivery is taken into account for the purpose of calculation of 80 days worked by her, during the period of 12 months immediately preceding her expected date of delivery.

- Number of Leaves entitled in maternity:

Employees	Number of days	Carried forward
Maternity Leaves(ML)	182	Nil
182 Days consist of all calendar days i.e. leaves includes Week offs & holidays in between them		

  - Increment of Monthly leave (Privilege, Sick Leave & Casual Leaves) is not applicable during the maternity leave period.
  - In case employee resigns during ML the leave balance will be considered till the month of ML start.
  - In case of separation planned from employee's end there is no provision for Encashment of Maternity Leave.

- Process for availing Maternity Leaves:

All leave must be applied through **"DarwinBox - Leave & Attendance"** accessible through the link provided to all during on boarding.

(a) The employee has to send the email to attendance desk & BU HR looping her Manager, Vertical Manager and keeping them informed on her maternity leave and with the maternity reports / certificates attached to the mail, at least one month prior to maternity leaves being planned.

(b) Vertical manager approval is needed for further Process.]]Once the approval is received, attendance desk & BU HR will check the eligibility criteria for Maternity

Benefit as per the policy. The calculation will be done from group joining date.

(c) As per the Maternity Benefit act, 182 days of Maternity Leave is applicable to the eligible employee and accordingly, 182 days leaves are allocated in the system.

(d) The employee has to apply for the same on DarwinBox, calculating 182 Days from the start date of their Maternity Leave in continuous manner without considering Week offs & Public Holidays.

1.5. Salary Disbursement During Maternity Leaves:

The employee will be eligible for maternity benefit only if she has completed 80 days of work anytime during the twelve months immediately preceding the date of her expected delivery, she is entitled for maternity benefits, as per statutory compliance.

The amount payable will be on the basis –

Calculation under ESI ACT

Maternity pay= Full Wages (except not included items) Payable for actual number of Leaves Taken/Granted

- If wages are below or equal to Rs. 21,000 then such an employee will be covered under the ESI Act wherein full wage is payable to the employee except the items that are specifically not included in the definition of Wages as per ESI Act and as stated above.

Calculation under MB ACT

Maternity pay = Average Daily Wage * Actual Number of Leaves Taken/Granted

Where:
Average Daily Wage =
Sum of Daily/Monthly wages paid in the Three months preceding the first day of Leave Granted / Number of Days in the Three Months preceding the first day of Leave Granted.

1.6. Payment of Medical Bonus:

Every woman entitled to maternity benefit under this Act shall also be entitled to receive from her employer a medical bonus of two thousand five hundred rupees to three thousand five hundred rupees, if no pre-natal confinement and post-natal care is provided for by the employer free of charge. This is one time medical bonus.

1.7. In case of Miscarriage:

On production of documents related to miscarriage employee will be eligible for leave of 6 weeks (42 days) immediately following the day of her miscarriage.

The Amount payable during Miscarriage leave will be disbursed monthly as per during the monthly salary disbursement cycle.

- Increment of Monthly leave (Privilege, Sick Leave & Casual Leaves) is not applicable during the miscarriage period.

1.8. Insurance Coverage and Medi-Claim Benefits:

Insurance Company: **New India Assurance Co. Ltd** (TPA: **Medi-Assist**)

Benefit Details under the insurance coverage:

- Maternity coverage is INR 40,000/- for normal delivery and INR 60,000/- for delivery through C-section.
- In any of the above cases if the employee wishes to avail the benefits, prior intimation should be given to HR team.
- For additional details, raise a ticket on DarwinBox Helpdesk.

Update on HRMS System for New born addition Insurance coverage:

- Employees are requested to update their Family details in DarwinBox.

1.9. Extension of Maternity Leaves:

- In case of ML extension, employee needs to inform by email to Manager and Attendance desk.
- Extended Leaves will be considered as Leave Without Pay in case of no available leave balance.
- Once the Manager approves the extension, employee can apply LWP on DarwinBox for extended ML days.
- In case the employee has applied her Leave balance for extended ML, the salary payment will be done once the employee resumes her duty.
- All other payables will be on hold till the employee returns to work.

P.S. The Management reserves the right to amend existing policies from time to time or introduce new ones to facilitate a professional work culture in the Company. The same shall be communicated to all employees as and when such amendments are introduced.
